## ENRICHING EXPERIENCES FOR OUR GUESTS AND OUR ENVIRONMENT

We believe that a responsible meeting is not only what you experience in the meeting room but also knowing that your hotel respects the destination around it.

We're proud to partner leaders in geotourism, the National Geographic Center for Sustainable Destinations. Our ambition is that guests enjoy enriching experiences that reveal what makes a place truly special – its heritage, culture and tradition – and the importance of protecting it.

At InterContinental we use a holistic approach to being a responsible business: to work from the grass roots up, recognizing each individual hotel team as the experts best placed to use their local knowledge for developing community and environmental initiatives that meet the specific needs of the destination. This Insider Collection gives delegates access to some of these unique experiences, and for those meetings that stay in the meeting room, you can be assured our hotel is working behind the scenes to protect what is special about the place for fellow travelers.

Two minutes from InterContinental Sanya Resort, perched on a seaside hill sits Luhuitou Park.

The 82.88-hectare park boasts a tropical forest and many rare and precious species. But the jewel in this crown is the breathtaking view of Sanya stretching from the city centre to a vast vista of the sea.

It is against this stunning backdrop that we offer you the opportunity to host an exclusive cocktail party on 'Love Hill' amidst a birds eye view of Sanya city and its iconic deer and ethnic Li huntsman statue.
